**Grace Bennett** - Northwest Pennsylvania Collegiate Academy  
**Jianaliz Serrano** - Northwest Pennsylvania Collegiate Academy  
**Madeline Huber** - Cathedral Preparatory School

The NPAA will be awarding \$11,000 in scholarships this year.

Over the course of twenty years the Northwestern Pennsylvania Art Association has awarded more than \$50,000 in scholarships to graduating high school seniors in the Erie region pursuing art at the collegiate level.

We were joined in our efforts in 2019 by Erie Insurance, which raised funds to honor the memory of a beloved

colleague, friend and family member. The Erie Insurance Robert Sajewski Memorial Scholarship recognizes Bob's career as a graphic designer at Erie Insurance and his championing of the local arts community.

The NPAA is honored to partner with Erie Insurance and to share Bob's legacy with the next generation of artists.

**You can help support NPAA in their efforts to award scholarships to young artists through our endowment fund.**

The NPAA's mission is to create opportunities for established, emerging, and student artists through exhibitions, education and scholarships.
